- a) A clear statement of the research question;*
 - b) A brief information on the theoretical/conceptual framework used;*
 - c) Major research areas to which the paper relates.*
-

Keywords

Max. 5

Session proposal

Sessions can be ninety minutes long (usually three papers, a commentator, and a panel chair) or two hours to accommodate four papers. A successful session leaves significant time for the audience to raise questions and comments. Tracks may combine up to three sessions (e.g., a whole afternoon) to allow for a broader discussion of a specific approach or theme important to the field. Track sessions expect the audience and the presenters to engage in a wider discussion.

Title of the session

Organizer Name, Institutional affiliation, Email address

Abstract of the session Up to 350 words, including:
a) A brief description of the session's theme, focus and objectives;
b) The relevance of the topic;
c) The main topics that will be addressed during the session.

Keywords Max. 5

For each paper Each session can comprise 3 or 4 papers

Title of paper #

Authors of paper # Name, Institutional affiliation, Email address

Abstract of paper # Up to 350 words, including:
